DailyKlean ULTRA 30

Consolideck® DailyKlean ULTRA 30 is a highly concentrated, fragrance-free maintenance cleaner for concrete floors, including floors hardened and densified with lithium silicate products. This specialized blend of degreasers and detergents removes most common soiling found on concrete floors daily. It is ideal for concrete floors everywhere, from warehouses and manufacturing plants to schools, stores, hospitals, restaurants and more. Used as part of a comprehensive maintenance program, DailyKlean ULTRA 30 helps ensure the highest appearance and performance standards for all indoor concrete flatwork.

Pre-measured for 30 gallon auto-scrubber tanks, just add a 4 ounce pax of DailyKlean ULTRA 30 to a 30 gallon auto scrubber tank of fresh water, and you’re ready to clean. Though DailyKlean ULTRA 30 is specifically made for floors treated with Consolideck® LS® lithium silicate hardener/densifier, it is perfect for almost any concrete floor.

Recognized by the EPA’s Safer Choice program, DailyKlean ULTRA 30 is formulated to be safer for workers and the environment. The solution also offers more positive environmental and human health characteristics than conventional cleaning formulations.

SAFETY INFORMATION

Always read full label and SDS for precautionary instructions before use. Use appropriate safety equipment and job-site controls during application and handling.

24-Hour Emergency Information:
INFOTRAC at 800-535-5053

ADVANTAGES

• Recognized by the EPA’s Safer Choice program.
• Contains no phosphates, hazardous solvents or environmentally harmful surfactants.
• Maintains concrete floor shine.
• Removes most common soiling.
• Fragrance free. Dye free. Readily biodegradable. Low toxicity.
• Concentrated for economy of storage and transport.
• No rinsing needed for routine surface cleaning of floors.
• Ideal for auto scrubbers.

Limitations

• May not remove some embedded stains.
• Does not contain lithium silicate. Has no hardening/densifying effect.

REGULATORY COMPLIANCE

VOC Compliance
Consolideck® DailyKlean ULTRA 30 is compliant with all national, state and district AIM VOC regulations.

PREPARATION
Sweep or vacuum to remove loose materials from the surface to be cleaned.
Pre-clean oil spots or other deep stains with the appropriate Consolideck® product. For recommendations, call Customer Care at 800-255-4255.

Surface and Air Temperatures
Cleaning effectiveness is reduced when surface and air temperatures fall below 50°F (10°C). Do not apply at temperatures below 40°F (4°C).

Equipment
This product is specially concentrated for use with an automatic floor scrubber.
Use soft brushes/pads. Never use aggressive brushes or pads on polished concrete.

Storage and Handling
Store in a cool, dry place. Always seal container after dispensing. Do not alter or mix with other chemicals. Published shelf life assumes upright storage of factory-sealed containers in a dry place. Maintain temperatures of 45-100°F (7-38°C). Do not double stack pallets. Dispose of unused product and container in accordance with local, state and federal regulations.

APPLICATION
Read “Preparation” and the Safety Data Sheet before use.

ALWAYS TEST a small area of each surface to confirm suitability, coverage rate and desired results before beginning overall application. Test with the same equipment, recommended surface preparation and application procedures planned for general application. Let surface dry thoroughly before inspection.

Dilution & Mixing
Dilute one 4 oz PAX per 30 gallons of fresh water.

Application Instructions
1. Apply with an automatic scrubber.
2. For routine cleaning, rinsing the concrete floor is not necessary. Vacuum up spent cleaner and dissolved contaminants with automatic scrubber.
After deep cleaning, or for cleaning in food-processing areas, rinse well with fresh water. Do not let puddles or concentrated cleaner dry on the floor. Vacuum up rinse water with automatic scrubber.
3. Buff the cleaned floor with a white pad to increase the shine.

Cleanup
Clean tools and equipment using fresh water.

BEST PRACTICES
For regular maintenance cleaning, always use one 4 ounce PAX of DailyKlean ULTRA 30 with a full 30 gallon auto scrubber tank of fresh water.
Do not let spent cleaner and dissolved contaminants dry on the floor.
To remove deeply embedded oil and grease stains, test Consolideck® Oil & Grease Stain Remover.
Use soft brushes/pads with auto scrubbers. Never use aggressive brushes or pads on polished concrete.
Use DailyKlean ULTRA 30 as part of a comprehensive maintenance program that includes deep cleaning with Consolideck® LSKlean ULTRA 30 at least once a week.
Never go it alone. If you have problems or questions, contact your local PROSOCO distributor or field representative. Or call PROSOCO technical Customer Care at 800-255-4255.
WARRANTY
The information and recommendations made are based on our own research and the research of others, and are believed to be accurate. However, no guarantee of their accuracy is made because we cannot cover every possible application of our products, nor anticipate every variation encountered in masonry surfaces, job conditions and methods used. The purchasers shall make their own tests to determine the suitability of such products for a particular purpose.

PROSOCO, Inc. warrants this product to be free from defects. Where permitted by law, PROSOCO makes no other warranties with respect to this product, express or implied, including without limitation the implied warranties of merchantability or fitness for particular purpose. The purchaser shall be responsible to make his own tests to determine the suitability of this product for his particular purpose. PROSOCO’s liability shall be limited in all events to supplying sufficient product to re-treat the specific areas to which defective product has been applied. Acceptance and use of this product absolves PROSOCO from any other liability, from whatever source, including liability for incidental, consequential or resultant damages whether due to breach of warranty, negligence or strict liability. This warranty may not be modified or extended by representatives of PROSOCO, its distributors or dealers.

CUSTOMER CARE
