**LEED Credit Contributing Categories:** The Consolideck® floor hardening and decorative polishing system contributes to a number of LEED categories. See the attached *Consolideck LEED Guide* for additional information.

### **LEED EQ Credit Conformance**

LEED NC 2.2 EQ Credit 4.2: The New Construction & Major Renovation Reference Guide Low-Emitting Materials section incorporates by reference the South Coast Air Quality Management District (SCAQMD) Rule 1113 in effect on January 1, 2004. GemTone ColorCoat is classified as an Industrial Maintenance Coating (January 1, 2004 limit: 250 g/L).

PROSOCO certifies that Consolideck® GemTone ColorCoat has a maximum VOC content of 250 g/L and complied with Rule 1113 on January 1, 2004.

### **Manufacturing Location**

Kansas City, Kansas

### **Recycled Content**

GemTone ColorCoat is manufactured with no post-consumer materials content.

**Date of Generation:** August 18, 2009

**Certification by:** Dwayne Fuhlhage, CHMM  
Regulatory Affairs Director
