

ATTENTION!

Valder's dimensional cut stone is an all natural dolomite limestone product. It meets the Type III classification for limestone, which is the highest rating in the industry for this material. *Some color variation in natural limestone is normal and any variation should be distributed evenly throughout the floor or wall application.*

WARNING: DO NOT CLEAN NATURAL STONE WITH MURIATIC ACID!

Use a cleaner and weatherproofer made specifically for this natural stone and follow the manufacturer's recommendations!

CLEANING

►SURE-KLEAN►

VANA TROL®

8 : 1 DILUTION

For best overall appearance and color uniformity

WEATHERPROOFING

►SURE-KLEAN►

**NATURAL STONE
TREATMENT WB**

For best weather resistance

STAIN REPELLENT

►SURE-KLEAN►

**LIMESTONE MARBLE
PROTECTOR**

For best stain resistance

Pressure rinse with 400 to 800 psi at a water flow rate of 6 to 8 gallons per minute and a 30° fan spray tip. Apply appropriate PROSOCO cleaner with a pump up sprayer not to exceed 50 psi. Reduce water pressure to avoid damage to delicate masonry.
