PROSOCO®

**Sustainable floors have never looked so good**

Consolideck® ColorHard and SLX100® Water & Oil Repellent create a "water-flow" pattern at Monument Valley Elementary School, Utah.

**ColorHard —**  
Achieve colored,  
hardened and  
densified concrete  
floors in one easy step  
Bring design and  
color to any trowl  
finished, ground or  
textured concrete  
Available in 21  
vibrant colors

Consolideck® color systems for concrete floors let you turn floors, new or old, into gleaming, gem-like, yet slip-resistant surfaces.

- Formulated to mix with Consolideck LS or LS/CS
- Pre-measured liquid concentrate
- Works inside and out
- Layered color applications achieve deeper color intensity
- Creates a durable and low-maintenance concrete floor
- Easy application with low-pressure sprayer and microfiber pad
- VOC-compliant and safe for occupied areas
- SCS Certified Indoor Air Quality — Gold Level
- No harmful acids, non-toxic and non-corrosive
