# DriKlean

**Substrate:**  
Brick, Stone,  
Concrete & More

**Task:**  
Stain Removal

**Surface Type:**  
Vertical

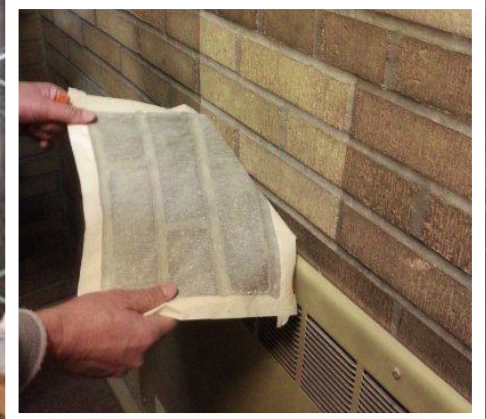

**Location:**  
Interior, Exterior

## Peel away the grime.

DriKlean is a gentle but powerful rinseless cleaning solution designed for interior spaces where traditional liquid cleaners can't go. Spray, roll or brush it onto limestone, sandstone, marble, travertine, plaster, terra cotta, concrete, mortar or brick to safely remove dust, soot, oils and other surface soiling.

- Safe for use on sensitive surfaces
- Easily peeled off
- Low toxicity
- Low odor
- Ready-to-use
- Contains up to 29% recycled material
- Natural rubber latex-free

DriKlean production times may vary. Call PROSOCO Customer Care toll free at 800-255-4255 for your local distributor or for additional information about DriKlean.

You. Us. The project.
