

PROTECT YOUR INVESTMENT LSGUARD DEFENDS CONCRETE

LSGuard® provides a **protective** high-gloss finish that eliminates the need for floor waxes, liquid polishes and conventional coatings.

Protect

Create a lasting high gloss finished concrete floor with protection and maximum light reflectance.

Enriches and intensifies concrete color characteristics.

Protection from spills and stains.

Performance

Longer lasting than traditional coatings.

NSF-Nonfood registered.
VOC-Compliant (U.S.)
LEEDv4 Ready.

Product

Ideal for application to standard gray or dyed concrete.

Application requires a heat cure through high-speed burnishing. Ready for traffic immediately after application.

Training

Make sure the product goes on right the first time with on-site training and product demos from PROSOCO.

Contact your PROSOCO rep to schedule a training session today.

Support

Never go it alone. PROSOCO has a nationwide network of field reps and technical advisors that are here to help.

We have your back, wherever you are.

KEEP UP WITH YOUR FLOOR USE US FOR CONCRETE AND MORE
