

REMOVE DEEPLY SET OIL STAINS

Oil & Grease Stain Remover is a poultice cleaner for pulling stubborn oil and grease stains out of pavers, concrete, stone and other porous surfaces. After pouring Oil & Grease Stain Remover onto an embedded stain, it spreads out to make an instant poultice – no mixing, troweling, plastic covering or tape needed. As the poultice dries, it pulls the contaminants out of the substrate.

EASY

No mixing or scrubbing needed.
Simply sweep up the dried poultice and discard.

POWERFUL

Removes motor oil, brake and power-steering fluids, anti-freeze, hydraulic fluids, cooking oils and food grease

SAFE

Compliant with all national, state and district VOC regulations

As it dries,
it pulls out
the oil

- Works on concrete, pavers, block, stone, tile and brick
- Leaves no residue
- Will not discolor stone
- Safe on marble, granite, limestone and travertine

**WE ARE
WHERE
YOU ARE.**

PROSOCO's nationwide network of field reps and technical advisers from coast to coast are here to help solve your biggest problems, your smallest problems and everything in between.
